

Before the workshop...

- Print out these pages, and the phone number and PIN for the call
- Leave everything blank until you hear on the call what to write in (i.e., don't fill anything in ahead of time.)
- Make sure you have a pen or pencil handy to take notes and to fill in the blanks on these pages
- Be prepared to identify (and share) conflicts and issues you are having in reaching your goals; e.g. “Can'ts”, “don't know's”, and dilemmas. Remember, you're in coaching now; I may call on you by name and ask you questions!
- Call in to the conference line a few minutes ahead of schedule, to make sure that we can start on-time and you don't miss anything!
- Mute your phone when you are not speaking:

use *6 on your touchtone keypad to mute

use #6 to un-mute

Note: we are using a different conference service than the one for the previous workshop, so the options are different than the last time!
