

# Before the workshop...

- Print out these pages, and the phone number and PIN for the call
- Leave everything blank until you hear on the call what to write in (i.e., don't fill anything in ahead of time.)
- Make sure you have a pen or pencil handy to take notes and to fill in the blanks on these pages
- Be prepared to identify (and share) conflicts and issues you are having in reaching your goals; e.g. "Can'ts", "don't know's", and dilemmas. Remember, you're in coaching now; I may call on you by name and ask you questions!
- Call in to the conference line a few minutes ahead of schedule, to make sure that we can start on-time and you don't miss anything!
- Mute your phone when you are not speaking:

use \*6 on your touchtone keypad to mute

use #6 to un-mute

Note: we are using a different conference service than the one for the previous workshop, so the options are different than the last time!

# The Essence of Creation

**Thirty-two are the spokes in the hub of the wheel,  
But a wheel cannot turn, with no \_\_\_\_\_ in the \_\_\_\_\_!**

It can only be \_\_\_\_\_, where \_\_\_\_\_!**

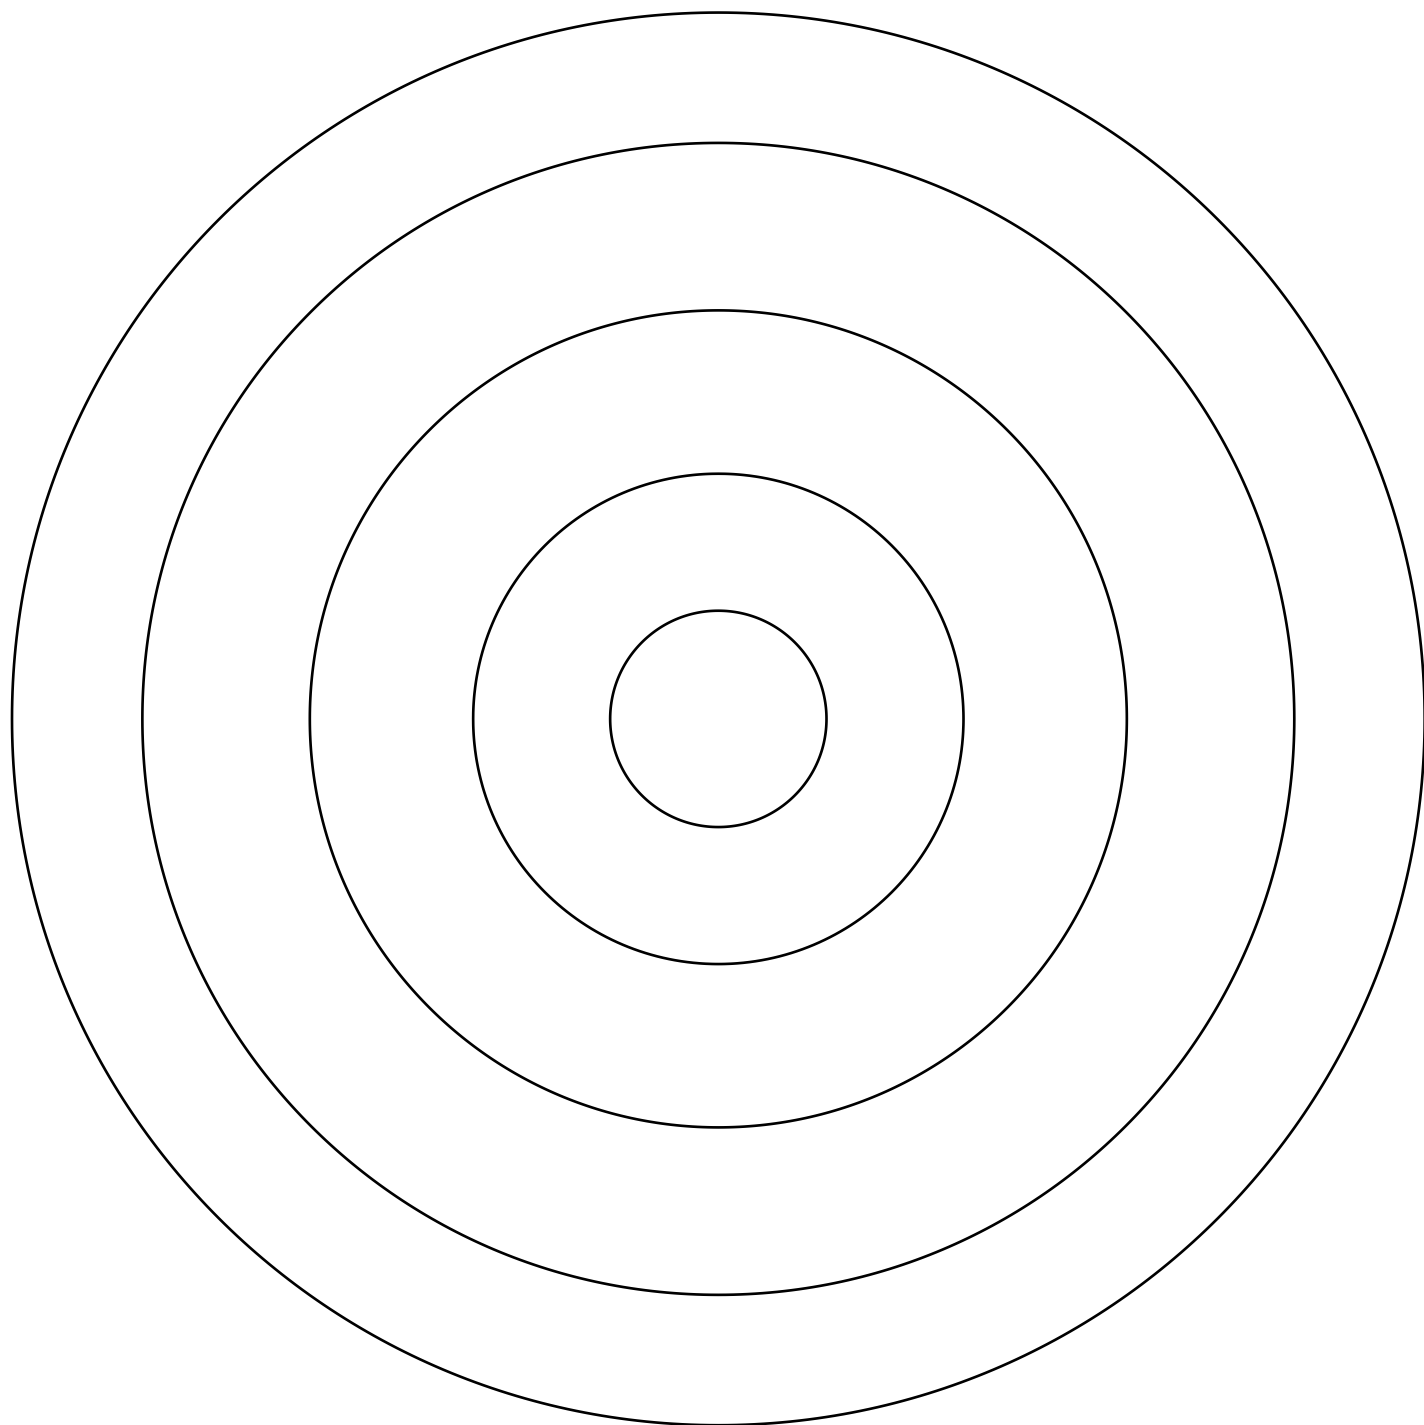

**And so solidly built are the walls of this house,  
But to live there requires both \_\_\_\_\_ and \_\_\_\_\_!**

**And so thus we construct things from that which \_\_\_\_\_,  
But their \_\_\_\_\_ is found here in that which \_\_\_\_\_!**

**Ideas are Like Onions...  
Everybody has them, and they stink!**

**Creative people don't**
